PRIS Highlights

Joint seminar by PRIS and ACI-Singapore on "Polymeric materials in Green building"

PRIS has co-organised the seminar with American Concrete Institute (ACI)-Singapore on 23 Nov 2016. Three distinguish speakers, Dr Xu JW (A*Star), Dr. Wong SF (TP) and Dr. Teo NF (SP) had presented their talks to the participants:

Dr. Xu: Recent advances of electrochromic materials for smart

windows applications.

Dr. Wong: Use of Recycled Polymer material in chemically bonded

composites.

Dr. Teo: Recent development and application of polymer concrete in

Singapore.

More than 50 participants attended the seminar and brought back valuable information/connections at the end of the networking session after the seminar
